

REMARKS

Claims 58-81 are currently pending in the instant application.

The Specification has been amended to insert the preferred section headings pursuant to 37 C.F.R. §1.77. A new Title of the Invention has been inserted. A cross-reference to the International Application of which this application is the national stage entry has been inserted. An Abstract of the Disclosure, in accordance with the disclosure, has been added. It is submitted that the amendments to the Specification made herein introduce no new matter. A separate page containing a clean copy of the Abstract of the Disclosure has been attached for the Examiner's convenience. New paragraphs and Section Headings have been added in accordance with 37 C.F.R. §1.121(b)(1)(i) & (iii), and paragraph deletions indicated in accordance with 37 C.F.R. §1.121(b)(1)(i) & (iv). Entry of the amendments to the Specification made herein is therefore proper and respectfully requested.

Original claims 1-57 have been canceled and replaced with new claims 58-81 solely for the purposes of improving clarity and grammar, which may suffer in translation, and in order to remove multiple dependencies, and not for any reason which relates to the statutory requirements for a patent. New claims 58-81 have not been added in response to any rejection, nor in anticipation of any rejection. Applicants respectfully submit that the scope of new claims 58-81 generally corresponds to the scope of original claims 1-57, and that new claims 58-81 are no narrower than original claims 1-57. New claims 58-81 are supported in the Specification by the claims as originally filed and in the Examples. No new matter has been introduced. A complete listing of all claims ever presented is included herein in accordance with 37 C.F.R. §1.121(c). An authorization to charges fees for claims exceeding a total of twenty has been given in conjunction with the 35 U.S.C. §371 submission of which this Preliminary Amendment is a part. Entry of the amendments to the claims made herein is therefore proper and respectfully requested.

Prompt examination of the instant application in view of the amendments made
herein is respectfully requested.

Respectfully submitted,

WILFRIED RÄHSE
